**NOTICE OF CLASS ACTION SETTLEMENT,  
Plaintiff Larry Jackson  
OBJECTION SETTLEMENT AGREEMENT OFFER**

I, the plaintiff Larry Jackson of the (Jackson) family hereby makes this  
declaration of claim for to properly submit this "OBJECTION TO SETTLEMENT  
OFFER as follows in my personal grievance complaint.

## **Complaint / Argument.**

The intent of this letter is to object to the settlement offer in the RYALS V. HIRERIGHT SOLUTIONS, INC Civil Action No. 3:09 cv625.

In this complaint there is a civil rights violation, this company sold and made money off my background information while I, the plaintiff Larry Jackson have been trying diligently to seek employment not once but several times throughout the years, and several years of my personal information has been sold without my knowledge which violates my constitutional rights as well as my constitutional fundamental rights. I the plaintiff Larry Jackson went to Eagle Training Services whom graduated the 7<sup>th</sup> day Feb 2008 but due to this company's negligence in providing inaccurate background information to numerous employers I have not been able to obtain employment. I Larry Jackson am the father of 6 children, I am unemployed and I faithfully have a duty here on this earth to uphold for my children until they are able to support themselves as well as providing a sound life for myself. There for in the action by HIRERIGHT SOLUTIONS, INC., et al, caused great damage, for there action in providing false information about me. I could have had a bright career upon my completion of training from Eagle Training Services located in Rockford IL. These responsibilities are solely related to the failure of HIRERIGHT SOLUTIONS, INC. I never received a notification letter stating that they were sending out my private information.
